**Miss California, Famous Grid Star Boost Concerts**

A nationally famous California beauty and a famous professional football star joined forces this week in support of the Torrance Area Youth Band-sponsored concert series which will open here on Nov. 15.

Miss Sandra Lee Constance, former Torrance High School beauty who was named Miss Torrance last year and was Miss California in the Miss Universe Contest this summer, joined with Doak Walker, former SMU football All-American, and now a star in the backfield of the Detroit Lions, in urging Torrance residents to take advantage of the modestly-priced season ticket offer for the four-concert series.

Both were making their appeal as a favor to an old friend, James Van Dyck, who is director of the Torrance Area Youth Band.

Miss Constance won her first beauty contest here under the sponsorship of the Van Dyck-led youth band.

Played Trumpet

Doak Walker played trumpet in the Highland Park Junior High School band in Dallas, Tex., when Van Dyck was the band instructor at the school in 1940.

The two met with Van Dyck to discuss plans for the coming concert series and to talk over old times. Both voiced enthusiastic approval of the series, Van Dyck said.

Pianist Gary Graftman will open the series Nov. 15 and he will be followed by Soprano Leontyne Price and Violinist Camilla Wicks, all nationally famous artists.

Winners of the four Youth Band \$100 cash music scholarships will be featured in the final concert next May.

A limited number of season tickets are still available, Van Dyck reports. They may be obtained for \$2 each at the Youth Band's general headquarters, 1327 Post Ave.

**ARTHRITIS?**

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with excruciating aches from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me, I will tell you at once and tell you how I received wonderful relief.
